Component Availability	The components listed in this quote are subject to availability at the time of purchase.
Custom Requirements	Should you require specific components or customizations, please feel free to contact us via email or phone.
Clarifications	If you are unsure about any information provided in this quotation, do not hesitate to reach out to us for clarification.
Further Breakdown	For a detailed breakdown or additional information, kindly contact us via email or phone.
Flexible Financing Options	We offer flexible finance options to make your purchase easier. Please contact us for more details.

## WHAT SETS US APART?

### Complete Transparency

We understand your concerns about authenticity and quality. That's why we provide live access to the unboxing and assembly process, ensuring you see exactly what goes into your custom PC.

### End-to-End Solutions

From assembly to testing, every PC we deliver is fully optimized and ready to use straight out of the box.

### Secured Shipping

Your PC is shipped in a fully insured, custom wooden case—guaranteeing safety and peace of mind until it reaches the doorstep.

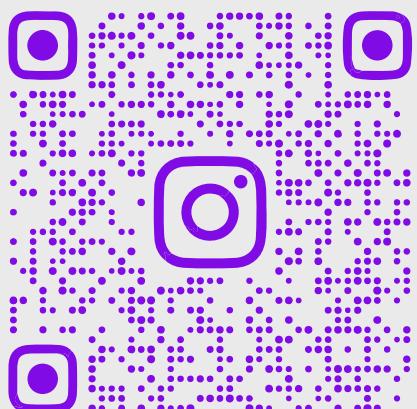

### Trusted Support & Warranty

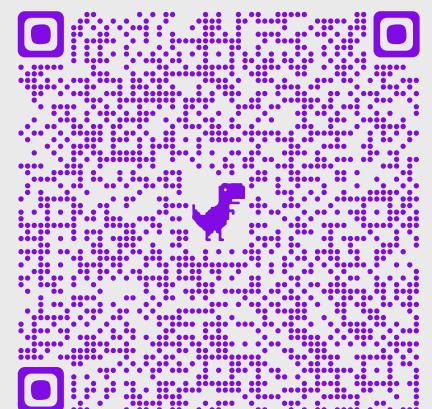

Every Bitkart machine comes with 3 years of dedicated telephonic support and on-site warranty, regardless of the price—because trust matters most.
